### Transport Arrangements

Drop-off and pick-up is via private arrangement at the Box Hill Guide Hall. From the Hall on Saturday, participants will be driven in Leaders' private cars to the Laser Tag venue. They will return to the Guide Hall on Sunday morning in the same manner. This travel will be in according with the [GGA Road Transport Policy](#) and the GGV Child Safe Policy. If you have any questions about this, please contact [program@guidesvic.org.au](mailto:program@guidesvic.org.au) ASAP.

## Conditions of attendance

All participants must be current members of Girl Guides Victoria and be registered for the event. All participants are expected to be at the event from Saturday evening (arrive between 7.00 pm and 9.00pm) to Sunday morning at 8.00 am. All participants will abide by the camp rules as outlined at the beginning of the event.

## Supervision and Security

Youth members will be supervised by designated Leaders who have Police and Working with Children Checks in line with our Child Safety Policy. All third parties providing activities are required to implement their own compliance checks with their staff.

## Contact for parents during the event

If parents/guardians require an urgent emergency message to be given to a participant, please call the Leader in Charge Sarah Charles. A contact number will be provided prior to the event.

## Health and First Aid

There will be a fully qualified First Aider on duty at all times during the camp. Girl Guides Victoria relies on the information from a Guide's profile on our database regarding medical and developmental support needs to plan staff ratios at events. Please ensure this information is up-to-date online upon registration for all youth members.

All youth member medications must be handed in at sign-in to the First Aider. Please ensure all medications are listed on the Health Form (which will be emailed to all youth participants prior to the event), and are in original packaging in a snap-lock bag clearly labelled with the Guide's full name and dosage instructions.

Please note that GGV volunteers are not permitted to issue any medication to participants without the consent of their guardian.

## Technology – electronic devices and mobile phones

Girl Guide events are great opportunities to spend time with friends, get to know others, and enjoy all the amazing experiences on offer. We strongly encourage participants to think about whether devices are needed for this event, and acknowledge that GGV can't take responsibility for their safekeeping.

In light of today's ubiquitous availability of cameras and social media choices, GGV cannot monitor and are not liable for any photos youth members share.
