Tune: This Old Man

Delacombe Junior Guides

The Girl Guide Law, shows the way
Helps us when we work and play

*Living by the promise, true to our belief
The Girl Guide law we strive to keep*

Improve our **world**, choose to care
Help each other, give and share

*Living by the promise, true to our belief
The Girl Guide law we strive to keep*

Respect myself, and **others** too

In thoughts and words and what we do

*Living by the promise, true to our belief
The Girl Guide law we strive to keep*

Learn new things, skills of mine

Schedule, learn and don't waste **time**

*Living by the promise, true to our belief
The Girl Guide law we strive to keep*

Considerate, kind, **trustworthy** be

Polite and truthful with **honesty**

*Living by the promise, true to our belief
The Girl Guide law we strive to keep*

Optimistic and **thoughtful** me

Positive, caring and cheerful be

*Living by the promise, true to our belief
The Girl Guide law we strive to keep*

Smile and talk, make new **friends**

A Guiding circle has no ends

*Living by the promise, true to our belief
The Girl Guide law we strive to keep*

Courage and **strength**, laugh and grin

Challenge yourself, be brave within

*Living by the promise, true to our belief
The Girl Guide law we strive to keep*
