

## PLASTIC BOTTLE FLOWERS (Bottoms)

Figure 1: Bottle, paint and brush, scissors.

Figure 2: Paint bottle, and then cut into three pieces.  
Keep the bottom of the bottle and put the other pieces aside for another project.

Figure 3: Bottle bottom

Figure 4: Preparing to cut pieces out of bottom

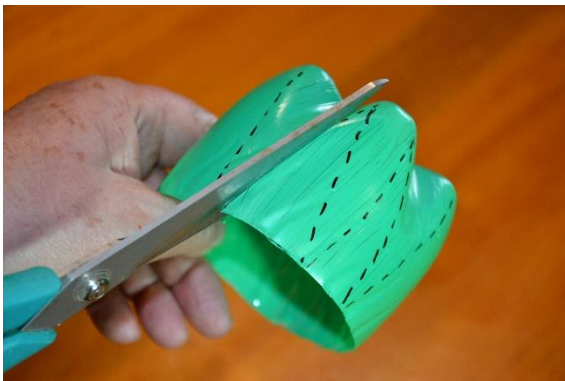

Figure 5: Cut sections into a petal shape.

Figure 6: Do the same for other sections.

Figure 7: Flower shape, discard offcuts

Figure 8: Variation – tips curled (see curling instructions)

Figure 9: Variation – detailed painting and marker pen

Figure 10: Variation: larger petals

Figure 11: Variation: added stamens in bottle top

Figure 12: Collection
