

BALLARAT TRAMWAY MUSEUM – FLORAL TRAM PROJECT SHEET 4

PLASTIC BOTTLE FLOWERS (Middles)

Figure 1: Bottle, paint and brush, scissors.

Figure 2: Paint bottle, and then cut into three pieces. Keep the middle of the bottle and put the other pieces aside for another project.

Figure 3: Bottle middle

Figure 4: Cut the middle and unroll

Figure 5: Make a series of cuts about 2/3 of the depth

Figure 6: After cutting it should look like a fringe

Figure 7: Roll up the plastic piece

Figure 8: Rolled up and with fringe bent over

Figure 9: Secure with a rubber band or hot glue into a bottle top

Figure 10: Completed flower

Figure 11: Variation: added as stamens in bottle top flowers

Figure 12: Variation
